1. Purpose

This policy defines the types of leave available to employees, eligibility, accrual, and the approval process, so that time off can be planned and covered fairly.

2. Types of Leave

- Casual Leave (CL): 12 days per calendar year, accrued monthly, for short personal needs.
- Sick Leave (SL): 10 days per calendar year; a medical certificate is required beyond 2 consecutive days.
- Earned/Privilege Leave (EL): 18 days per calendar year, accrued monthly, can be carried forward up to 45 days.
- Maternity Leave: 26 weeks paid, per the Maternity Benefit (Amendment) Act.
- Paternity Leave: 15 calendar days paid, to be availed within 6 months of the child's birth.
- Bereavement Leave: up to 5 working days for the death of an immediate family member.

3. Application Process

Leave must be applied for through the HRMS portal at least 2 working days in advance, except for sick leave and emergencies, which may be regularized within 3 working days of return. Leave exceeding 5 consecutive days requires the reporting manager's and department head's approval.

4. Unused Leave

Unused Casual Leave lapses at the end of the calendar year and cannot be carried forward or encashed. Unused Earned Leave beyond the 45-day cap is auto-encashed at the March payroll cycle at the employee's current basic pay rate.

5. Leave During Notice Period

Earned Leave may be used during the notice period subject to manager approval; it cannot be used to shorten the notice period itself.
