1. Purpose

This policy sets out eligibility and expectations for employees working remotely or in a hybrid arrangement, to keep collaboration and delivery consistent regardless of location.

2. Eligibility

Employees who have completed their 3-month probation period and whose role does not require fixed on-site presence (e.g., facilities, on-site support) are eligible to apply for hybrid work.

3. Standard Arrangement

- Hybrid employees are expected in the office a minimum of 2 days per week (Tuesday and Thursday are the fixed anchor days for most teams).
- Fully remote arrangements require Director-level approval and are reviewed every 6 months.
- Core collaboration hours are 11:00 AM to 4:00 PM local time, during which employees should be reachable.

4. Equipment & Expenses

The company provides a laptop and a one-time home-office setup allowance of INR 15,000 for eligible hybrid/remote employees. Internet reimbursement of up to INR 1,500/month is available on submission of a bill.

5. Data Security While Remote

Company devices must use the corporate VPN when accessing internal systems from outside the office. Working from public/open Wi-Fi networks without VPN is not permitted for any system containing employee or customer data.

6. Review & Revocation

Managers may revoke an individual's remote/hybrid arrangement with 2 weeks' notice if performance or collaboration concerns arise; this is handled as a direct conversation before any formal action.
