

Ananya Rao

Machine Learning Engineer

ananya.rao.sample@email.com | +91-98xxxxxx10 | Bengaluru, India

SAMPLE / PLACEHOLDER RESUME — fictional candidate, generated for testing the Phase 6 Recruitment Agent (resume-to-JD matching). Not a real person.

Summary

Machine learning engineer with 3 years of experience building and deploying classification models on structured business data, with a focus on model evaluation and explainability.

Skills

Python, pandas, NumPy, scikit-learn, XGBoost, SHAP, SQL, FastAPI, Git, Docker (basic)

Experience

ML Engineer — Vertex Analytics Pvt. Ltd. (2023 - Present)

- Built a customer-churn classification model (XGBoost) improving recall by 18% over the prior logistic regression baseline.
- Deployed model as a FastAPI service consumed by an internal dashboard.
- Used SHAP to explain individual predictions to non-technical stakeholders.

Data Science Intern — Quanta Insights (2022 - 2023)

- Cleaned and validated large tabular datasets for downstream modeling.
- Built exploratory dashboards in matplotlib/Streamlit for internal review.

Education

B.Tech in Computer Science, RV College of Engineering, 2022
